

# BUILDING JUSTICE

seizing the moment to combat wage theft & promote quality jobs and clean energy infrastructure

## FREE PUBLIC CONFERENCE: REGISTER TODAY!

Wage theft and other worker abuses are rampant in the construction industry. With historic funding for infrastructure projects, how can we promote good jobs, support responsible contractors, and address abuses in the industry?

Join workers, students, faculty, labor & environmental leaders, elected officials, and guest speakers for an interactive, solution-oriented discussion about this critical issue.
