

Building Trades Stewards' School

Union stewards in the building and construction trades play an essential and complex role on the jobsite. This three-day online conference is designed to provide participants a strong foundation in the laws and skills that help construction union stewards effectively fulfill their duties.

The conference is presented by the University of Iowa Labor Center, in cooperation with the Iowa State Building and Construction Trades Council and the Iowa Federation of Labor, AFL-CIO. Topics covered will include:

- Labor's History and Values
- Roles, Rights, and Responsibilities of Union Stewards
- Overview of Davis Bacon and Other Construction-Related Standards
- Effective Representation and Grievance Handling Skills
- Combating Harassment and Discrimination on the Job
- Educating and Involving Your Members
